Youth Section

Dear Parents,

Welcome to another season at your rugby club and in particular the Youth Section. Yes this is your club as without your support and encouragement of all the players on weekly basis, the youth section would not exist as it is today. Many of you already play an active role in the organising and running of our section and long may it continue, but we need more help to enable the players and our club to develop in all areas.

Our club has a great reputation within Essex for being inclusive and fair minded both on and off the field of play, indeed we were complemented on many occasion during and at the end of the 2009/10 season on our excellent disciplinary record. Which I am pleased to say also applied to the senior teams.

We have also received some very positive comments with regard to our organisational abilities, in particular the two very successful festivals of rugby that were run last season.

For these reasons we have a number items for which we ask your support and assistance if your circumstances permit it.

1. We have updated our Youth Section Code of Conduct to address some concerns raised during last season, you should make yourself familiar with the content of this document, a copy of which is always available in the club house.
2. Please continue to promote both on and off the field of play good conduct so that this new season can be blemish free as was 2009/10.
3. Never has so much be owed by so many to so few, is a very well known and used phrase, please think about how you can help the managers and coaches and especially when it comes round to festival time. Another good phrase is, many hands make light work

Please remember as a parent of a player you are an associate member of the Upminster Hall Sports Association (UHSA), and as such are fully intituled to enjoy the club house and its facilities, including the bar. Whilst the profit from the bar does go directly to our rugby club, all the money raised is used to maintain and improve the club facilities for the enjoyment and benefit of its members.

The club house main hall and bar is strictly a **No Football or Rugby Boot** area, this applies to all age groups, so please avoid embarrassment and ensure this policy is complied with at all times. This is not just to minimise the amount of mud in the club area but also a safety issue. The changing rooms are always available to change shoes or other wet or muddy items of clothing and can be entered via the side door.
